The unique corner design of the **Point Arena** offers nine pressure adjustable hydrotherapy jets including two recessed **Aquatic Rotary Massage Jets**, five **Full Size Pressure-Flo Hydrotherapy Jets**, and two **Neck and Shoulder Jets**. The first therapy station provides an **Aquatic Rotary Massage Jet** which is pressure adjustable that allows the selection of massage from a direct flow, up to an 8" rotating massage pattern. The combined soothing action of the **StressEaz Neck and Shoulder Therapy Jets** with the **Aquatic Rotary Massage Jet** will

help ease stress and strains. The second station provides therapy with another **Aquatic Rotary Massage Jet**, while the third station incorporates a full size, pressure adjustable hydrotherapy jet, perfect for foot massage. The Point Arena also features a deep bathing well and built-in lumbar back support in all three bathing stations. Nine jets are strategically placed to target action to the neck, shoulders, back, legs, knees and feet, providing relief from the aches and tensions of the day.
